# Features & Benefits

## 33.6 Kbps fax performance

- Transmit and receive faxes at the highest speed regulated by the government

## Intuitive control panel

- Increase your efficiency with a simple learning curve

## 8 ppm print engine

- Print faster than with comparably priced machines

## Simple, no-mess toner change system

- Keep toner in the machine, not on your clothes, with the *Easy Change<sup>SM</sup>* toner system

## 30 sheet automatic document feeder

- Large enough for moderate size transmissions

## Standard printing and scanning

- Outstanding functionality works with Windows-based operating systems (95, 98, 2000, Me, XP, NT 4.0)

## Manage and load fax numbers directly from your PC

- Eliminate keying one-touch and speed-dial numbers directly in the machine.

## Utilize multiple paper sizes

- Prints on most formats utilized in today's office including letter, legal, envelopes, etc.

## Range of productivity-enhancing fax features

- Fax forwarding, polling and "scan once, send to many" broadcasting technology

## EnergyStar compliant

- Responsible energy use equals longer machine life and lower electricity bills

## Document management software

- Scan, edit and file multiple images and documents
