

Neopost IJ 50

Powerful mailing performance in a simple and economical solution.

Neopost's IJ 50 is the answer for businesses with expanding mailing needs. It combines speed and advanced features into a simple and effective solution.

The IJ 50 is designed to deliver maximum mailing performance in a minimum amount of desk space, without disrupting the office environment. Its quiet operation and advanced capabilities allow you to be more productive than before. With an IJ 50 you can:

- Process mailings at speeds up to 95 lpm
- Track expenditures for up to 100 departments
- Interface with a PC to export mailing data and reports
- Save time with differential weighing and one-touch controls
- Automatically calculate exact postage for each mail piece

Neopost IJ 50 - Flexibility and Performance

The Neopost IJ 50 advanced mailing system outperforms your growing needs.

The Neopost IJ 50 delivers the next level of mailing performance for flourishing businesses.

A growing business is a high-energy environment where every second counts. Yet, someone still has to find time to get the mail out, fast. That's where the IJ 50 shines. It has all the power of a high-end mailing machine with the compact, quiet and simple operation of an office mailer.

- Ease of use with one-touch controls and meter refills
- Differential weighing calculates the exact postage of each item removed from the weigh platform
- Handles mail thickness up to 1/4"
- Swiftly prints labels for parcels and thicker mail pieces
- Account and track expenditures for up to 100 departments
- PC connectivity to export mailing data to reports
- Up to 5 programmable presets for recalling frequent jobs
- Long-lasting ink cartridge reduces cost-per-impression
- Quick meter refills via integrated modem

Large, easy to read display and simple menu-driven user prompts make operation easy

Upload your slogans, logos and advertising messages via our memory card technology

The IJ 50 connects directly to a PC and exports accounting data and reports for advanced cost tracking

Differential weighing saves time by calculating the exact postage for each item removed from the weigh platform

Weigh parcels up to 70 lbs. and automatically calculate the exact postage with an integrated scale

Ink cartridges last nearly 3 times longer than the competition and are a snap to replace
