

# Neopost IJ 60

## The simple office mailing solution with muscle.

Neopost's IJ 60 performs like a high-end mailing system in a compact, efficient package. It's the perfect solution for bustling businesses with expanding needs.

In a class of its own, the IJ 60 quietly races through even the largest mailings with ease. It's the simple solution for growing businesses who require high performance and advanced mail accounting functionality. With an IJ 60 you can:

- Process mailings at speeds up to 110 lpm
- Track expenditures for up to 150 departments
- Interface with a PC to export mailing data and reports
- Automatically calculate exact postage for each mail piece
- Increase productivity and reduce mailing costs with our differential weighing feature

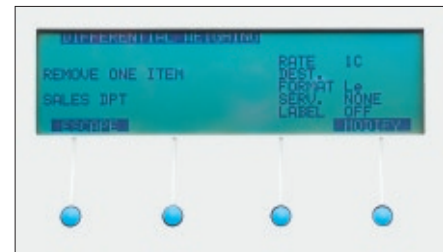

# Neopost IJ 60 - Performance Made Simple

Reach new levels of efficiency with best-in-class capabilities.

The Neopost IJ 60 delivers top performance and advanced functionality simply and affordably.

It takes more than just fast mail processing to achieve true productivity, and the IJ 60 delivers. With more advanced functionality than any other solution in its class, the IJ 60 is in a league of its own.

- Compact, quiet and consistently reliable performance
- Easy operation with one-touch controls and meter refills via integrated modem
- Differential weighing calculates exact postage of each item removed from the weigh platform
- Automatically adjusts for thicknesses up to 1/4"
- Easily prints labels for parcels and packages
- Advanced mail accounting capabilities and PC connectivity
- Customize your IJ 60 with modular add-ons to meet your needs
- Long-lasting ink cartridge reduces cost-per-impresion

Large, easy to read display and simple menu-driven user prompts make operation easy

Load your slogans, logos and advertising messages via our memory card technology

The IJ 60 connects directly to a PC and exports accounting data and reports for advanced cost tracking

Differential weighing saves time by calculating the exact postage for each item removed from the weigh platform

Weigh parcels up to 70 lbs. and automatically calculate the exact postage with an integrated scale

Ink cartridges last nearly 3 times longer than the competition and are a snap to replace
