2

MORE THAN 35% OF MOBILE PHONE AND TABLET ² USERS WOULD LIKE TO PRINT FROM THEIR DEVICES BUT EITHER CAN'T OR DON'T KNOW HOW

Whether it is an email message, a PowerPoint slide or even a boarding pass, mobile users want to print. The Sharp Color Advanced and Color Essentials Series MFPs make it easy to embrace BYOD (Bring Your Own Device) in the office by supporting popular mobile printing technologies at no extra cost.

35%

IMPROVING SECURITY IS THE #1 ⁴ PRIORITY FOR MAJOR DOCUMENT INTENSIVE VERTICAL MARKETS

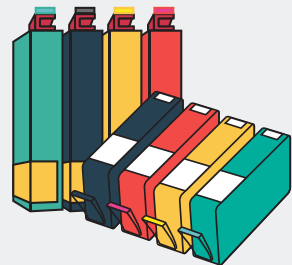

The Sharp Color Advanced and Color Essentials Series MFPs include a standard security suite, which includes 256-bit data encryption, up to 10 times data override protection, as well as a convenient End-of-Lease feature that erases all business and personal information at the time of trade-in.

6

3

MOST WALK-UP MFP USERS ONLY KNOW HOW TO USE A SMALL PORTION OF MACHINE FEATURES

The Sharp Color Advanced and Color Essentials Series MFPs are easy to use. The models in these series have been designed with an intuitive 10" diagonal color touchscreen that use tablet-style menu navigation, making it easy for even novice users to learn advanced features and setup jobs that deliver professional results.

MANY MFP MODELS USE DIFFERENT TONER CARTRIDGES, REQUIRING BUSINESSES TO STOCK SEVERAL TYPES

The Sharp Color Advanced and Color Essentials Series MFPs all use one type of toner cartridge for each color, minimizing the need to stock many different types.
